## **129,000 lb Pilot Project Permit Trip Log Instructions**

This form may be used temporarily to keep track of the number of trips made by a vehicle operating under the 129,000 lb Pilot Project Permit.

The information listed below is required to be reported by the end of a quarter, into the internet reporting program. If no trips were made during a given quarter, that must be reported as well into the same program. The quarters are as follows:

- 1<sup>st</sup> quarter January, February & March
- 2<sup>nd</sup> quarter April, May & June
- 3<sup>rd</sup> quarter July, August & September
- 4<sup>th</sup> quarter October, November & December

Each trip must be listed (a trip is defined as each way unladen or laden)

1. Permit Number – found on lower right hand corner of permit
2. Unit Number - unit number of towing vehicle
3. Trip Date – day trip was made
4. Trip Origin – starting point
5. Trip Destination – ending point
6. Commodity Hauled – what was hauled
7. Check if Unladen - if traveling unladen, check this box
8. Gross Weight – gross weight of vehicle configuration (unladen & laden)
9. Route(s) – list each highway traveled (US30, US93, SH25, etc.)

Failure to submit trip logs quarterly as required will result in the revocation of all pilot project permits issued to the carrier. Upon submission of all delinquent trip logs, new permits may be issued.
